Funding Example

If your child is eligible for 30 hours funding and you want to stretch this funding over the 51 weeks, you will only be eligible to 22 hours of funding per week. If your child attends nursery for 4 full days per week. For the first two days of funding, you will just be charged for the consumables. On the partially funded day, you will only be charged for the consumables during the funded hours (i.e., these funded hours are from 08:00 - 10:00, so you have been charged for Breakfast, Snack, and the Extra Curricular). And on the fourth day where there is no more eligible funding, you are just charged the full standard rate.
